Today I received a telephone call from James McCorkel, Ph.D., Jersey Shore Medical Center. His telephone is (732) 776-4732.

He stated Dr. Akoda was still in the residency program, but had requested a leave of absence effective August 30, 2000, stating his father in Nigeria had died and he was going to travel there. Dr. Akoda also told him he required surgery.

Dr. McCorkel also stated he had contacted Harlem Hospital concerning the identity of Dr. Igberase Charles. He had sent them a photograph. He was waiting to hear from Harlem Hospital.
